The purpose of a faith-based small group is to build relationships with God and one another. When we meet each other in real conversation, we learn how to love. Small groups also create trusting spaces for support, accountability, and prayer as we seek to live the Jesus Way.

- Prayer: Pray for and with one another
- Connection: Share personal stories, real life
- Covenant: Agree to attend regularly, listen, be honest
- Content: Book or bible study or practice
- Time: More time, deeper transformation
- Leadership: Empower and invite members to lead, set agenda, invite outside world
